

Greetings! We had a very smooth 2015 Missouri NMLRA Territorial Championship. The weather mostly held off until the last relay on Sunday before clearing for the awards and traveling back home. We had fewer participants again this year with, but once again more aggregates purchased this year. There were four visiting shooters from Iowa, 'Pevine', Mike Compton, Peter Sheets & Dan Hartman. Our other visiting shooters were Richard Vandervord (Ill.) and Rod Brimm (Kan.). It was also good to see some junior shooters. Adarren Breuil, Jarentt Breuil, two of the five juniors, hail from Oklahoma. These juniors along with Aaron Bayless are related to Jack and Kay. Sarah Phillips and Sam Siron were our other two Junior Shooters. Thank you to the parents / grandparents that brought the junior participants. The Offhand Aggregate was the most popular this year. The Light Bench and the new Bench Aggregates both did very well this year with participation numbers. Welcome back Duane McNeal! It was good to see you back at the range.

Past history of the Missouri Territorial Matches from the previous years:

	2012	2013	2014	2015
Shooters	38	41	40	31
Aggregates	105	113	121	125

All the scores are on the next / back page. State shoot is next month. Hope to see a big crowd this year!

We will need a lot of help for the State Shoot next month, especially score keepers on the primitive range. Any club members interested in shooting on Thursday and working Friday, Saturday and / or Sunday please let me know and we will make the necessary arrangements. We will need help with other jobs to make the shoot possible.

Before the State Shoot we have about (10) 2"x4" we need to change out on the target frames at 25 and 50 yards. I've marked these boards with orange ribbon – that need to be replaced next Saturday after the Novelty Shoot. If time allows, it would also be nice to finish the repairs on the primitive bridge hand rails and ramps. Also, we might need to clean up the primitive range (mow and cut some brush). I will be building and installing a couple of targets prior to the State Shoot on the primitive range.

Hours for the State Shoot are: Friday: 9am – 5pm, Saturday: 8am – 5pm, Sunday: 8am – 2pm

Thank you to John Frey, Carl Donze, Jack & Kay Reynolds, Mary Dale, Jeff Siron, Jim Thorp and Richard Cates for help running the Territorials. Apologies in advance if I failed to recognize anyone else who helped out with this year's Territorials Championships.

Take care. Be safe.

Baby Turtle, he needs to eat some of that grass and get bigger to help us out with the mowing!
