This year we asked that each shooter bring their own target stands so the Beaver Creek Plainsmen members would not need to set up the heavy backstops. Not knowing how many would attend, many times they went to a lot of extra work. Thank you for bring your own stands and thank you for shooting the Chunk Gun Matches.

Thanks to Jack Patton, Range Officer, Bob Berger scoring and Bert Geedes for bring the computer and posting scores. Lunch of brats and hot dogs, chips and cookies were served by Sally Howard.
