

IOWA BLACK POWDER FEDERATION 2026 RIFLE RAFFLE

.50 CALIBER LYMAN FLINTLOCK "TRADE RIFLE"

This year, thanks to the generosity of a benevolent anonymous IBPF member, we are proud to offer this special package.

The Lyman Trade Rifle is patterned after the sturdy and practical guns developed for the early "Fur Trade Era" (Circa 1820-1850). These original guns were most sought after by trappers, traders, Indians and other rugged wilderness survivors.

Special enhancements included will be an additional pre-fitted L & R Lock Company RPL flintlock (created to satisfy the demand of extremely high quality and fast flintlock mechanism), a hard case to protect the rifle when storing and transporting along with a "range rod" for convenient loading and maintenance.

Tickets are available at \$10.00 each or 3 for \$20.00
